

PhD Project Partner Benefits

The PhD Project fosters inclusive excellence by encouraging business professors who will mentor the next generation of leaders. Corporations, associations and foundations who partner with us receive the following benefits:

Associate

\$10-14K *per academic year*

1. Job Board

Post internships, campus and experienced hire positions to [The PhD Project Job Board](#) to reach undergraduate and graduate students via our PhD Project doctoral students and faculty members.

2. Member Directory

Reach campus talent via direct access to our members: 1,800+ underrepresented tenure-track PhDs and current doctoral students. PhD Project members are also experts in their respective fields and can be used for speaking engagements at your organization.

3. Application Database

For your experienced hire positions, reach out directly to 8,000+ talented professionals who have attended our Annual Conference but have not entered doctoral programs.

4. Member Association Conference: 1 Discipline

Join us at our Accounting, Finance & Economics, Information Systems & Sciences, Management and Marketing [conference](#) to connect with our members. Share information about your organization and commitment to inclusion.

Advocate

\$15-\$24K *per academic year*

1. Job Board
