

Benefits to Universities

The PhD Project fosters inclusive excellence by cultivating business professors who will mentor the next generation of business leaders.
Universities that partner with us receive the following benefits:

University Partner (DGI*)

\$5,000 per academic year

1. Job Board

Post tenure/non-tenure track, adjunct & administrative positions to The PhD Project Job Board to reach an inclusive pool of doctoral candidates & faculty. www.phdproject.org/jobs

2. Member Directory + Application Database

* Contact faculty & doctoral student members for faculty recruiting via our Member Directory. Share contacts with others involved in faculty searches at your university.

* Reach out directly to PhD Project Annual Conference applicants for adjunct & lecturer positions, as well as to promote other graduate degrees offered at your institution.

3. Annual Conference + University Fair

Attend our Annual Conference & exhibit at the University Fair to speak directly with potential doctoral students as they explore the path to a PhD. Exhibit space & registration for **up to 4 university reps** is included in your annual fee.

4. Member Association Conference

Attend our cross-disciplinary Member Association Conference & connect with new PhD graduates at our Meet & Greet sessions (also held virtually). Now held in conjunction with our Annual Conference, you can meet both potential doctoral students & potential faculty across disciplines in one trip.

University Fair Exhibitor (DGI)

\$5,000 per academic year

1. Job Board

Post tenure/non-tenure track, adjunct & administrative positions to The PhD Project Job Board to reach an inclusive pool of doctoral candidates & faculty. www.phdproject.org/jobs

2. Annual Conference + University Fair

Attend our Annual Conference & exhibit at the University Fair to speak directly with potential doctoral students as they explore the path to a PhD. Exhibit space & registration for up to **6 university reps** is included in your annual fee.

3. Added University Reps

As a University Exhibitor your annual fee includes registration for **two additional university reps** (for a total of 6.)

4. Member Association Conference

Attend our cross-disciplinary Member Association Conference & connect with new PhD graduates at our Meet & Greet sessions (also held virtually). Now held in conjunction with our Annual Conference, you can meet both potential doctoral students & potential faculty across disciplines in one trip.

University Partner (NDGI*)

\$3,000 per academic year
